

The Homeowners simply removed the tablecloth and switched out the dated chandelier with a newer one. The pictures on the wall were replaced with a mirror from another room. Cost - less than \$100 for the chandelier.

The only change done to this room was switching the furniture in the basement with the furniture in the Family Room.

Total Cost - FREE - but what a difference!

By decluttering and exchanging the light fixture over the table with another light fixture that the homeowner already owned, this kitchen was transformed into a gourmet kitchen. Cost - FREE
